OFFER OF TRAINING CAMPS IN SZCZYRK, POLAND

Recently modernised hills of Szczyrk are HS-106, HS-77 and K-40. Those are all year round venues covered with plastic, the bigger of the two has also got an inrun cooling system. There is a modern ski lift at the ski jumpers disposal. Szczyrk is situated only 15-20 minute's drive from Wisła, which allows combining training on the normal hills there with alternative trainings on the big hill in Wisła. These days, there are also two smaller hills of HS-31 and HS-19 available in the village of Bystra, some 10 km from Szczyrk on the way to Bielsko-Biała. The hills of Szczyrk are a property of the local Sports Centre, which also comprises of an indoor swimming pool, sports hall, outdoor athletics stadium, gym, and many more.

Our choice of accommodation is the Sports Centre hotel - HARNASĆ, situated right next to the Skalite complex of jumping hills. This option offers a possibility of including training fee as well as other sport facilities use in the accommodation price. All the rooms have got private facilities, meals are served in the local restaurant/diner.

Accommodation price is **210 PLN** per person a day FB (3 meals a day). The fee includes two trainings on the hills a day. Alternative accommodation can be arranged on request.

For reservations and further details please visit <http://www.tatrasport.pl/szczyrk.html> or contact us at szczyrk@tatrasport.pl or +48 606 65 41 14.
