### **OFFER OF TRAINING CAMPS IN ZAKOPANE, POLAND**

Zakopane is an extremely popular and well known mountain and skiing resort situated in Southern Poland, at the foot of the Tatra mountains, the highest mountain range in the country, only a stone's throw from Slovakian border.

The local Sports Centre comprises a complex of jumping hills, an indoor swimming pool (currently under reconstruction), sports hall, body building gyms, football pitches, judo, weight lifting and wrestling halls, small athletics stadium (recently renovated), tennis courts, cross country and roller ski tracks.

**There is also a brand new outdoor and artificially cooled speed skating track, where Junior World Championships were held the last winter season. The track is situated at the altitude of over 900 metres asl, is 400 metres long and 13 metres wide. It is provided with a system of flood lights (1200 lux) and is open between October and March.**

Our first choice of accommodation are the Sports Centre hotels - Zakopane (temporarily unavailable due to renovation) or Imperial. This option offers a possibility of including training fee as well as other sport facilities use in the accommodation price.

Accommodation price is **45 Euro** per person a day FB (3 meals a day). The fee includes two 1.5 hour trainings a day.

Alternative accommodation can be arranged on request.
